GL Events supports WorldSkills Lyon 2024

GL events has been working alongside the Organizing Committee since the start of the bid, and has now formalized its support for young people and skills through a partnership agreement.

As a major player in the event industry, GL events has been equipping, organizing and hosting events for over 45 years, on different continents. One of the sites it manages, Eurexpo Lyon, will host the WorldSkills Lyon 2024 Competition. GL events places excellence and human values at the heart of its business, with committed men and women ready to take on new challenges and develop their skills.

Thanks to their shared values, GL events and the WorldSkills Lyon 2024 Organizing Committee are committed to working closely together to deliver a WorldSkills Competition that is modern and consistent with the CSR commitments that are dear to both our entities.
